Wash-Day  
wring  
of  
Worry

A "Guarantee" Anchor Brand Wringer is the best friend a woman can have on wash day. It turns easily because of its easy-running ball bearings and elastic rubber rolls. Because of the strength and elasticity of rolls, they stand long and severe use. For the same reason, they wring better, more uniform and without tearing garments or breaking buttons. The manufacturer guarantees it for 3 years—and so do we. If we knew of a better wringer than the Guarantee you know us well enough to know we would be selling that other brand. ## CALUMET TEAM DEFEATED 4-2

Portage Lake Seven Gets Away  
With the Opening Game

The Western division of the American Hockey association got under way at the Colosseum last evening, when the Portage Lake seven defeated Calumet by the score of 4 to 2. It was a good game, although naturally there were a few rough spots, due to the fact that neither team has had sufficient opportunity to practice. The contest indicated that the hockey to be seen here this year, although strictly amateur, will approach closer to the standard set in the days of the old professional league than any previous efforts.

The score was hardly a fair indication of the way the game went. In the first half, it appeared Calumet had the game sewed up. The combinations developed by the locals resulted in two clean scores and Houghton experienced difficulty in ending the net. Monette in the Calumet goal was called upon to stop less than half a dozen shots while Haug, Houghton's net guardian, was kept busy by the locals. In the second half, the ice became sticky. Calumet's offensive tactics were met by a more stubborn defense, especially in Haug, who played brilliantly between the posts for Houghton, and the Portage Lake seven seemed to grow better. Two of the four goals were the result of combinations and good shots from scrimmage, and two were of the lucky order. Trathen's shot from three-quarter ice would ordinarily have been stopped. It dropped at Monette's feet and bounded between his legs almost before the latter was on guard. The last goal was really pulled into the net by Monette in his efforts to recover after he had stopped it with his leg.

How the Play Went.  
After the first few minutes of the first half, Calumet carried the play into Portage Lake territory and kept lambasting the goal with a persistence that could not be denied. The game was almost one-sided during this period. Mahan was the first to register, shooting a clean goal about fifteen minutes after play began, after a pass from Monroe. Reynolds made it two for Calumet about five minutes later, on a pass from Chaput.

In the second half, Haug scored for Portage Lake after about six minutes of play. From this point, the Portage Lake team seemed to take on new life. McCurdy tied the score on a shot from a scrimmage and shortly afterward Trathen lifted the puck from three-quarter ice landing it at Monette's feet and it bounded between his legs. Houghton continued to have the shade. Calumet players appeared tired and although they started frequent rushes towards the Houghton goal, Haug proved invincible in the net. Exley made the last goal for Houghton, leaving the score 4 to 2.

The Teams.  
Houghton has a heavier team than Calumet this year and the members seemed to have better staying qualities. For the visitors, Hogan and Haug were effective and in the second half Exley and Scotie played in better form. Trathen seems to be fifteen or twenty pounds heavier than usual and Scotie also is heavier. Ollie Haug will find it necessary to reduce weight if he is to reach his best form.

The home team seems to contain all the elements which go to make up a strong team. Some of the players showed lack of condition, among them Mahan and Monroe. Both of the latter played brilliantly when fresh. The team includes two newcomers, Ransome Treglowan, a Dollar Bay youth, who promises to develop into one of the fastest defense men in the district and "Bill" Monroe, who seems to be a fixture at right wing on his playing last evening. Reynolds and Chaput in center ice seemed in good shape and worked in some good combinations. It will take Paul Romp a week or so to get back into his usual shape. Monette shows evidence of being able to take care of the goal position.

Outbreaks of Roughness.  
There were two regrettable incidents in connection with last night's game, which called for penalties of five minutes each for some of the players. In both instances it seemed that Haug was the real offender, although he escaped punishment both times. In the first clash, Reynolds, claiming Haug had struck him with his stick, attacked the latter with his fists and little harm was done by either, or by Haug, who came to Haug's rescue. Reynolds and Haug were benched.

The same incident was repeated a little later in the evening, when Chaput of Calumet claimed he received the same treatment from Haug and clashed in the same manner. Haug again came to the rescue and Chaput and Haug received penalties of five minutes. Aside from these instances, the game was very clean and only a few minor penalties were inflicted.

Penalties were as follows: First half—Haug, two minutes for holding; Haug and Reynolds, five minutes each for roughness; Mahan, one minute for tripping.

Second half—Monroe, one minute for tripping; Chaput and Haug, five minutes for roughness; McCurdy, one minute for tripping.

TAMARACK YOUNG MAN DIES.  
William Chegwidden, aged 24, of Second street, Tamarack, and a resident of the copper country practically all of his life, passed away at about 11 o'clock last evening after a prolonged illness.

The funeral services will be conducted Friday afternoon from the residence of the deceased's mother, Rev. W. H. Collyett of the Tamarack M. E. church officiating.

TO PLAY IN HOUGHTON.  
Arrangements have been made for a basketball game to be played in the College of Mines gymnasium in Houghton Saturday evening between the Mounted Police of Calumet and the Michigan College of Mines squad. A close game is looked for. At their regular drill tomorrow evening, the members of the Calumet Engineers will consider the challenge by the M. C. M. five.

Y. M. C. A. STATISTICS.  
Statistics compiled by Physical Director John Johnstone of the Calumet Y. M. C. A. show that the field of usefulness of the association is gradually being extended. In December 2,395 members used the swimming pool, more than ever before in a single month in the association's history, and the gymnasium attendance was 1,775, of whom 275 were in the Businessmen's classes.

NOW PLAYING IN WEST.  
Letters received by Calumet friends convey the information that Charles Ekila, a former well known Calumet hockey player, is now a member of the Portland, Ore., team, which is coached by John Hermann, formerly of Lake Linden. Ekila is making a name for himself with this team and is recognized as one of the fastest players in the west.

## DEATH CLAIMS MRS. WHISLER

Esteemed Calumet Lady Answers  
Summons—Funeral Thursday

The death occurred about 8:15 o'clock last evening at the Whisler home on School street of Mrs. Flora MacDonald Whisler, wife of Dr. W. S. Whisler of Calumet. The deceased was one of the best known residents of this city and her passing is the cause of general regret. The funeral will be held Thursday afternoon at 2 o'clock from the residence, with services in charge of Rev. L. K. Long, pastor of the Calumet Congregational church and Rev. Daniel Stettin, D. D., pastor of the First Presbyterian church and with interment in the Lake View cemetery.

Death was the result of a prolonged illness and was not unexpected. Since last spring she had been in failing health and during the summer underwent treatment by some of the best known specialists of the country. About the latter part of November she returned to Calumet. Her condition continued to grow worse, however, until her departure last evening.

The deceased was a life-long resident of Calumet, a daughter of the late Daniel T. MacDonald. She was a member of the first graduating class of the Calumet high school in 1884, other members of which are Mrs. George Wright, Mrs. P. J. McClelland, Mrs. George Fay, Mrs. Robert Shields and Miss Mina Sauer.

The late Mrs. Whisler was a woman of marked musical talent and assisted and directed the presentation of many of Calumet's most successful musical efforts. She was organist at the Calumet Congregational church and director of the choir for many years, also was an able pianist and vocalist.

Almost all of her life, Mrs. Whisler had been an earnest church worker and was active in missionary societies.

One daughter, Mrs. Lucile Varier, wife of Dr. C. E. Varier, of South Bend, Ind., survives, besides her husband, Dr. Whisler. Mrs. Varier has been in Calumet for some time, and Dr. Varier arrived here last evening.

There are also two sisters, Mrs. N. C. G. of Duluth and Mrs. John Ponson of Seattle and two brothers, Daniel T. MacDonald of New York, formerly of the Glass Block store of Calumet and Norman MacDonald of Laurium.

TO TAKE POSITION HERE.  
Miss Lattie V. Burkholder, director of the domestic science department in the Marquette high school has taken a position in charge of the cooking school of the domestic science department of the local school and will assume her new duties in February. Miss Burkholder will succeed Mrs. Albert Davey, formerly Miss Warren, resigned. She comes to Calumet well recommended.

MANY SHOTS FIRED.  
Promiscuous shooting was reported last evening along the road leading from Centennial to Kearsarge and in Wolverine locations. It is not felt, however, that it had any significance, it being thought it was caused by someone who had inhibited too freely.
